

CERTIFICATE OF WARRANTY

Terms and conditions of warranty

This product has been submitted to the most rigorous quality controls before leaving the factory.

However, if any operating problems due to assembling and/or defective parts in origin, please read carefully these terms of guarantee and contact your dealer.

Warranty conditions

CashKeeper S.L. guarantees that the product you have purchased to CashKeeper S.L. or to an authorized distributor does not contain any defect in its components or its functioning under normal use circumstances, as specified in its technical manual.

The warranty starts on the purchase date of the product and will be valid if it is duly completed and forwarded to CashKeeper S.L.

During the **12 months** of the warranty period, CashKeeper S.L.:

Will repair or replace, prior client consent, those parts that due to defects in their manufacture or mistakes in the assembly, may cause a malfunction of the product.

ATTENTION: In the case that the customer must send the device (or any of its components) to the factory or to an official technical service, this must be very well packed, preferably in its original packaging. The customer is responsible for that. CashKeeper S.L. will not be responsible for damage caused during transport.

Any repair or substitution will only be made prior reception and diagnostic of the defective component by CashKeeper S.L. or any official technical service. **In any case CashKeeper S.L. will not swap any component (or machine) without having received the defective component first.**

In case that the repair or replacement is carried out at the customer's facilities, the cost of the components and the shipping costs are exempt from fee, but not so, the amount corresponding to the technical service, as well as operators displacements or possible additional charges resulting from the intervention. All this additional costs will be paid by the customer.

All components replaced during the interventions under this warranty will become property of CashKeeper S.L.

The warranty will not be valid in the following cases:

This warranty covers only those defects that appear as a result of normal use of the product and not those, consequence of:
